## Vacancy Announcement – Head of Office

### About MRA

Market Research Association (Yangon) has been formed with leading local research agencies since 2016 and incorporation was registered by license as an association under the Myanmar Act 1914 on 27 June 2018 by Directorate of Investment and Company Administration.

### Objectives of Association

- 1) To develop research industry in Myanmar.
- 2) To increase the value of Myanmar research professionals and staff.
- 3) To cooperate in establishing Myanmar socio-economic indicators.
- 4) To distribute professional knowledge and procedures of market research among the members.
- 5) To protect against the exploitation of the local research agencies.

There will be (3) categories of memberships such as Founding Members (Now Executive members), Members, and Associate Members, and must meet respective membership criteria.

For more information, pls see [www.mrayangon.com](http://www.mrayangon.com).
